BEAUTIFUL BEGINNINGS

What could be more romantic than beginning your life together in one of the loveliest places on earth? Whether you're considering marrying or just honeymooning here, it should interest you to know that the U.S. Virgin Islands is consistently ranked as one of the top five Caribbean honeymoon destinations. Best of all, St. Croix, St. John and St. Thomas all operate under U.S. laws, language and currency, making them exotic, yet still wrapped up in the familiar comforts of the American way of life.

THREE ISLANDS TO LOVE

Whether you're in search of the perfect spot to say your vows or the perfect backdrop for honeymoon romance, you'll find it here. And no matter which of our three islands you choose for your version of bridal bliss, each island offers you a variety of experiences as individual and romantic as you are. You'll find intimate inns, historic windmills and European architecture on St. Croix, luxury resorts, world-class restaurants and pristine beaches on St. John and quaint shops and open-air bars on St. Thomas.

LOVE STORIES

No one knows what it feels like to be in love better than you. And no one knows what an island wedding is like until they've done it themselves. Once you've had your wedding here in the U.S. Virgin Islands, we invite you to share your story at usvitourism.vi.

Adam and April

Adam and I met on the beach in Cape Cod, so we always knew we wanted to get married on a beach somewhere. Neither of us had been to the Caribbean, so we got really excited about an island wedding. We picked St. John because it was exactly the kind of beautiful, idyllic place we had imagined. And, since it's a U.S. territory, it made things a little easier on everyone traveling there. In the end, we had 42 of our closest friends and family right there as we said our vows—just as the sun disappeared into the water. It's an old sailor's tale that you can see a green flash as the sun sets into the sea. I don't know if it's true or not, but our guests swear they saw it. After the ceremony, we had an amazing dinner. And everyone had their own coconut to drink from. After that, the local calypso band we hired really heated up, and we all danced on the beach for hours.

A BREEZE

You'll find getting married in the U.S. Virgin Islands easy. The options are almost endless, and the islands are full of experienced planners to help you with every detail. Indoors or out, sunrise or sunset, in a church, on a mountain, aboard a yacht or even underwater, a wedding here is bound to be beautiful. Visit usvitourism.vi to download an application. See the wedding checklist and legal information on the next page. Also look for a complete list of wedding planners, vendors and services in the back of this guide.

You may also call 340-774-6680 for a wedding on St. Thomas or St. John and 340-778-9750 for a wedding on St. Croix. After the Court receives a completed application, there is a required eight-day waiting period. If either party is divorced, he or she must have a certified copy of the divorce decree or a notarized affidavit stating when the divorce was granted. Additionally, please specify whether the marriage will be performed by a judge in the Court or by a member of the clergy. The combined marriage application and license fee is \$100. If the marriage is to be performed by a judge, there is an additional \$200 fee for the ceremony and an appointment is required. Personal checks are not accepted.

BEACHSIDE BLISS

If you're inspired by beauty, then you're going to be overwhelmed by our beaches. Pick a quiet dune, secluded cove or palm-laden shore. Altogether, you'll find more than 87 beautiful beaches to choose from, including Magens Bay on St. Thomas and Trunk Bay on St. John, both consistently rated two of the top ten beaches in the world by Condé Nast. And Chenay Bay on St. Croix is one of the best-kept secrets of the Caribbean.
